**Announcement on Completion of the ASEAN Business Assignment**  
**(Thailand and Hong Kong)**

Dear Sirs / Madams

As we informed you before, we have reached a definitive agreement with EMORI GROUP HOLDINGS CO., LTD. in regard to the assignment of their four ASEAN subsidiaries on October 9, 2015. We are pleased to announce that the assignment procedures on two companies mentioned below were completed today and they just became our wholly owned subsidiaries.

EMORI (THAILAND) CO., LTD. (Bangkok, Thailand)

EMORI & CO., (H. K.) LTD. (Hong Kong)

We believe that this variation will be an excellent opportunity for us to provide you a better service, as well as better development of the relationship between you and us and for an even greater mutual success in the future.

We are still in the process of completion of other two companies (PT. EMORI INDONESIA, EMORI PHILIPPINS, INC.).

We will also announce its completion, when it is available.
